AGENDA

The representative responsible for delivering your "senior guide books" and providing the opening presentation will arrive 45-60 minutes early to confirm arrangements. They should also contact you in late August or early September to make all arrangements.

All other representatives should arrive 30 minutes prior to the start of the opening presentation. Please make sure all seniors are ready to begin on-time.

Please provide signs outside the room of each college represented.

You may want to have the principal, a counselor, or the Student Body President welcome students and introduce the representative in charge of the opening session.

After the opening session, students will be excused to attend [3] different sessions presented by the UACRAO Institutions. These usually last 35 minutes each. Please do not invite any other schools to participate that are not members of UACRAO. If any out-of-state schools will be in attendance, they should notify you.

Thank you for all your time and efforts!
